**RE: South Carolina Energy Freedom Act (House Bill 3659) Proceeding Related to S.C.  
Code Ann. Section 58-37-40 and Integrated Resource Plans  
Docket No. 2019-225-E (Duke Energy Progress, LLC)  
Docket No. 2019-224-E (Duke Energy Carolinas, LLC)**

Dear Ms. Boyd:

Pursuant to the June 13, 2019 letter you submitted in the above-referenced dockets, Duke Energy Carolinas, LLC (“DEC”) and Duke Energy Progress, LLC (“DEP,” together with DEC, the “Companies” or “Duke”) filed a letter on June 17, 2019 (“DEC/DEP June 17 Letter”), informing the Public Service Commission of South Carolina (the “Commission”) of its intended procedural schedule for the filing of the Companies’ upcoming integrated resource plans (“IRPs”). On June 18, 2019, in Docket No. ND-2019-11-E, the Commission posted a directive issued on June 12, 2019, which states that the electrical utilities shall provide commentary on a “proposed procedural schedule from filing to hearing and decision.”

Given this additional detail provided in the Directive posted yesterday in Docket No. ND-2019-11-E, the Companies clarify through this letter that they are not proposing a procedural schedule for the 2019 IRPs (other than the filing dates set forth in the DEC/DEP June 17 Letter) given that they will not file comprehensive IRPs until 2020 to meet their obligations under S.C. Code Ann. § 58-37-40(A).

Should you have any questions regarding this request, please do not hesitate to contact me at 803.988.7130.

Sincerely,

Rebecca J. Dulin
